2017

2017 Homeschool Enrichment Activities

Programs are open first to homeschooled students and their families. Registration is required for all activities.

February 6, 3:00-4:00 pm

How the Library is Organized

Hear librarian, Kara Blue, describe how the library is organized, including where books and media are shelved in the library, how spine labels can help you locate items, how to access and search our library catalog, how the library can help you locate and order books we don't own, and some other tips on using our library.

February 22, 3:00-3:45 pm

Notable New Books

An overview of new or noteworthy books for school-aged readers.

March 8, 2:00-4:30 pm

Lego Mindstorms I

March 10, 9:30am-noon

Lego Mindstorms II

Class size limited to five (or 10, in pairs). In Part I, build one of several kinds of Lego robots. In Part II, computer-program your Lego robot to move, spin, and speak. Suggested age: 8 and older (or 5-7 with parent help).

April 3, 4:00-5:00 pm

Music Appreciation: Blues/Rock

The first of two sessions this spring taught by Albany music teacher, Mrs. Day.

May 1, 4:00-5:00 pm

Music Appreciation: Contemporary

The second session of music appreciation taught by Albany music teacher, Mrs. Day.

May 31, 3:00-4:00 pm

Book Spine Poetry

Select any books in the library you want and create poems using only their spines. Best for reading-age kids.

Summer months...

Attend Summer Reading programs and activities for all ages for the entire community.

September

Pick up a copy of Rascal by Sterling North and read it together as a family.

October

Field trip to Sterling North's boyhood Home and Museum, Edgerton, WI, followed by a pizza dinner. Museum open Sundays. Will need drivers & volunteers. Details tbd.

November 15, 3:00-3:45 pm

Notable New Books

An overview of new or noteworthy books for school-aged readers.
